LIBERTY UTILITIES (GRANITE STATE ELECTRIC) CORP. d/b/a LIBERTY

2022 Default Service Solicitations

COMMENCEMENT OF ADJUDICATIVE PROCEEDING AND NOTICE OF HEARING

On April 13, 2022, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty) filed a letter notifying the Commission of its proposed schedule for the solicitation of default energy service supply requirements for its large and small customer groups for the 6-month period from August 1, 2022 to January 31, 2023. The initial filing and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, are available on the Commission's website at www.puc.nh.gov/regulatory/Docketbk/2022/22-024.html.

I. BACKGROUND AND PROCEDURAL HISTORY

Liberty conducts its default service solicitations for its large and small customer groups pursuant to the process established in the settlement agreement approved by the Commission in Order No. 24,577 (January 13, 2006), as modified by Order No. 24,922 (December 19, 2008), Order No. 25,601 (November 27, 2013), and Order No. 25,806 (September 2, 2015). Liberty's large customer group consists of its large and medium commercial customers. Order No. 25,806 at 3. The small customer group consists of residential and small commercial customers. *Id.* at 2-3.

According to that process, Liberty procures the power supply for customers who do not take energy service from a competitive supplier by issuing requests for proposals (RFPs) to the competitive energy markets twice a year for its large and small

customer groups. *See id.* at 5-6. The RFPs solicit 100 percent of power supply requirements for each customer group for two 6-month periods, one beginning February 1 and the other beginning August 1. *See id.* at 2-3, 6. Liberty solicits power supply for its large customer group in two consecutive 3-month blocks and then establishes a monthly rate that varies each month. *Id.* at 2-3. It procures energy service for a 6-month period at a fixed rate for its small customer group. *Id.*

Liberty's April 13, 2022 filing indicated that it plans to issue its RFP on May 1, 2022. It has requested the Commission to issue an order approving the solicitation process and resulting rates by June 20, 2022 for service to begin on August 1, 2022.

II. ISSUES PRESENTED

The filing presents, *inter alia*, the following issues: whether Liberty's power supply procurement is consistent with Order No. 24,577 (January 13, 2006), as modified by Order No. 24,922 (December 19, 2008), Order No. 25,601 (November 27, 2013), and Order No. 25,806 (September 2, 2015), as well as RSA 374-F:3, V(c)-(e); and whether the resulting rates are just and reasonable as required by RSA 374:2, and RSA 378:5 and :7. Accordingly, an adjudicative proceeding will be convened to address these issues.

The Commission will be conducting any hearings scheduled in this matter in person. The Commission will consider requests to conduct hearings using a hybrid format to permit remote participation by a specific individual only if the Commission has determined that a sufficient reason has been provided for why that individual would be unable to attend in person. Any party requesting that a specific individual be permitted to participate remotely should file a written request with the Commission's Clerk's Office no later than fifteen (15) days prior to the prehearing conference or hearing date. If the Commission determines that one or more individuals will be

permitted to appear remotely, then individuals in the Commission's hearing room, including the Commissioners, will be broadcast on a web-enabled platform.

Based upon the foregoing, it is hereby

ORDERED, that an adjudicative proceeding be commenced for the purpose of reviewing and resolving the foregoing issues pursuant to RSA chapter 541-A, RSA 374-F:3, V(c)-(e), RSA 374:2, and RSA 378:5 and :7, and the Commission's procedural rules; and it is

R., Puc 203.17 and Puc 203.02, any entity or individual seeking to intervene in the proceeding shall file with the Commission a petition to intervene with copies sent to Liberty and any other parties on the service list, on or before May 23, 2022. The petition shall state the facts demonstrating how the petitioner's rights, duties, privileges, immunities, or other substantial interests may be affected by the proceeding, consistent with N.H. Admin. R., Puc 203.17; and it is

FURTHER ORDERED, that any party objecting to a petition to intervene make said objection on or before June 2, 2022; and it is

FURTHER ORDERED, that parties shall file any proposed exhibits, written testimony, motions, or other documents intended to become part of the record in this proceeding with the Commission. Pursuant to the secretarial letter issued on March

Filings will be considered filed as of the time the electronic copy is received by the Commission; and it is

FURTHER ORDERED, that routine procedural inquiries may be made by contacting the Commission's Clerk's Office at (603) 271-2431 or ClerksOffice@puc.nh.gov. All requests to the Commission should be made in a written pleading filed with the Commission. Unless otherwise authorized by law, *ex parte* communications are prohibited; and it is
