

Automatic Payments Enrollment form

Pay your bill automatically - without the hassle of check writing, stamps, mailing and due dates. Your exact bill amount is withdrawn automatically from your account each month.

There are two ways to sign up for automatic payments. Choose the method that works best for you.

A. Sign up for e-Bill. E-Bill is our electronic billing program. Instead of receiving a paper bill each month, you will get an email notification that your bill is ready for viewing online.

Once you sign up for e-Bill, you can select the automatic payments option.
