

Natural Gas Rate Increase Effective July 1, 2015

On August 1, 2014, Liberty Utilities submitted a request to the New Hampshire Public Utilities Commission (The Commission) to increase distribution rates. The Commission approved a temporary rate increase that went into effect on December 1, 2014.

On June 26, 2015, The Commission approved a permanent increase in rates that is effective July 1, 2015. A residential heating customer using an average 773 therms/year will see an approximate increase of \$87.30/year. Visit our website at www.libertyutilities.com to see sample bill impacts for other rate classes and a complete list of rates effective July 1st.

Additional information regarding Liberty's requested rate increase is available on the Commission's website at www.puc.nh.gov/Regulatory/docketbk.htm, docket # DG14-180 or by calling the Commission's Consumer Affairs Division at 1-800-852-3793.
