## Play it smart when paying your bill in person.

Some of our customers use 3rd party bill payment agencies to pay their utility bills in person. Not all payment agencies are authorized to collect payments on our behalf. We cannot guarantee that your payment will be applied to your account correctly if you use an unauthorized payment agency. Be cautious when using an unauthorized payment agency. Most important of all, *always keep your receipt.*

Liberty Utilities has authorized several agencies to collect payments on our behalf. For a list of authorized payment agents, please visit our web site [www.libertyutilities.com](http://www.libertyutilities.com) or call our Customer Service Department.
