- 1. Contact Information** - Please use this information to contact Liberty Utilities. Use the Emergency Number if you suspect a natural gas leak.
- 2. Account Number** - This is your account number. The first 8 digits represent the location of your service and will change if you move. The last 8 digits represent your customer number and will never change. Use the full 16 digit Account Number whenever you phone, write or e-mail us with a question or to make a payment.
- 3. Due Date** - To avoid late payment charges, please pay your bill on or before the Bill Due Date.
- 4. Service Address** - This is the address of the gas service being charged for usage.
- 5. Mailing Address** - Each month the bill is sent to this address which may differ from the Service Address.
- 6. Monthly Consumption Chart** - This graph illustrates consumption at the Service Address on a monthly basis.
- 7. Meter Information** - Details about Meter Number, Rate Code, Read Type, the number of billing days, and newly incurred consumption in units are shown here.
- 8. General message** - This section is used to communicate important messages to you.
- 9. Previous Balance** - This is the Total Amount Due from your previous statement.
- 10. Payments Received** - This amount is the total of all payments received and posted to your account since your last statement. It may take between 2-10 business days depending on payment method to post the payment to your account. If you recently made a payment, it may not have posted at the time of billing.
- 11. Balance Forward** - This is the difference between your previous bill and payments made since then.
- 12. Current Charges** - This is the total of charges you incurred and any appropriate taxes for the billing period. Current charges consist of the following:
  - a. Minimum Charge** - This is a fixed cost regardless of your usage and covers metering, billing and account maintenance.
  - b. Distribution Charge** - The cost of operating and maintaining the Liberty Utilities natural gas piping system that delivers natural gas to your home or business. This charge is based on your usage.
  - c. Distribution Adjustment** - This charge funds low income programs, energy efficiency programs, and environmental projects. It also includes an adjustment for decoupling. This charge is based on your usage.
  - d. Gas Supply Charge** - The cost to purchase, store and move gas through interstate pipelines. This charge is based on usage and can fluctuate monthly based on market price. It is passed directly to customers without a markup.
  - e. Normal Weather Adjustment** - This line item is part of decoupling. It will be on your bill from November 1 to April 30, and will either show a credit or charge to compensate for a colder- or warmer-than-normal month. Visit [www.libertyutilities.com](http://www.libertyutilities.com) to learn more about decoupling.
- 13. Miscellaneous Charges/Credits** - If applicable, this is the total amount of all Miscellaneous Charges/Credits applied to your account and are unique for the billing period.
- 14. Total Amount Due** - This is the cumulative charge including Balance Forward, Miscellaneous Charges/Credits and charges for the current billing period.
- 15. Special Message** - This section is used to communicate regulatory information and additional important messages to you.
