^{*}Distribution includes base distribution rates and Reliability Enhancement Program and Vegetation Managemer Plan Adjustment Factor.

For a complete breakdown of individual charges, please see our Tariff document posted at www.libertyutilities.com

^{**}Other Delivery charges include Storm Recovery Adjustment Factor, Transmission, Stranded Cost Charge, System Benefits Charge, and Electricity Consumption Tax.

^{***}Liberty Utilities Energy Service is supply provided through Liberty Utilities. Effective each year on February and August 1st, the New Hampshire Public Utilities Commission approves Energy Service rates for a six month period. For G-1 and G-2 customers only, rates are approved in six month blocks, but change monthly. Energy Service provided by a third party will be billed based on a contract between the customer and supplier. Please see Granite State's Tariff for more details.
