

Get **FREE** energy-saving measures with our **Visual Audit Program**.

How does it work?

A technician will come to your home and make recommendations on energy efficiency measures and install/set up the following at **zero cost** to you:

- Wi-Fi thermostats*
- Flow control showerheads/aerators
- Domestic hot water turn down
- LED lightbulbs

and more!

Program applications are processed on a first-come, first-served basis, and supplies are limited, so don't wait!

Call Horizon, an approved contractor for Liberty, at **603-369-4834** or email NHSaves@horizon-res.com

* Customers who already have a Wi-Fi thermostat installed on their property are not eligible to participate, unless there are multiple heating zones in your property and at least one can be upgraded with a Wi-Fi thermostat
