

## Important Notice Regarding Your Gas Bill

On October 29, 2021, we received approval from the New Hampshire Public Utilities Commission (NHPUC) for our summer Gas Supply Charge. The rate will be in effect in 2022 from May 1<sup>st</sup> through October 31<sup>st</sup>.

The Gas Supply Charge for Residential Heating customers beginning May 1, 2022 was approved at \$0.5587 per therm.\* This rate may be adjusted up or down during the summer period based on the actual market price of gas. An increase of more than 25% of the initial approved rate is not permitted without special approval from the NHPUC.

The Gas Supply Charge represents the price we pay for gas on the energy market. We do not profit from this charge. Please see our website for the current rates now in effect for all rate classes. For more information, please call us at 1-800-833-4200 or contact the NHPUC at 1-603-271-2431 or the NH Office of the Consumer Advocate 1-603-271-1172.
