## System Benefits Charge

The System Benefits Charge on your electric bill is used to collect funds for our Energy Efficiency Programs and to help qualified low income households pay their bill. All electricity customers in NH pay this charge.

The funding for Energy Efficiency goes towards rebates and incentives we provide to customers for qualifying high efficiency measures installed in homes, businesses or municipalities.

Low Income Assistance funds go to customers who meet certain income criteria as determined by their local community action agency.

For more information on these programs please visit [www.libertyutilities.com](http://www.libertyutilities.com).
